(b) **Noxious Weeds.** Every person shall destroy all noxious weeds on all lands which the person owns, occupies or controls in the Town of Turtle.

(c) **Other Weeds and Grasses.** No person shall permit weeds other than noxious weeds or grasses to grow to a height of more than 6 inches on any land the person owns, occupies or controls in the Town of Turtle. However, this provision shall not apply to:

The application shall be made to the Planning Commission.

(2) **Contents of Plan.** A land management plan means a written plan relating to the management of the lawn which contains a legal description of the land upon which the weeds or grasses will exceed 6 inches in height, a statement of the purpose for the lawn, a general description of the vegetational types, plants and plan succession involved and the specific management and maintenance techniques to be employed.
